Housing & Community Development Network of NJ

Trenton, NJ 08608

Dear Housing & Community Development Network of New Jersey:

I want to congratulate and commend the Housing & Community Development Network of New Jersey on their important work to improve and strengthen our communities in New Jersey. This statewide association has directly contributed the creation of affordable homes and economic opportunities for decades, with great successes and milestones.

Much of Middlesex County is in my Congressional District. The Housing and Community Development Network has provided immense support for the community development organizations operating there to create housing choices for some of our community's residents and revitalize distressed neighborhoods all throughout New Jersey.

In Middlesex County, Community Development Corporations have supported over 3,000 jobs and generated a \$463 million economic impact since 1989. That is in Middlesex County alone. I commend your work to assist our communities, particularly after Hurricane Sandy, and your tireless mission to ensure fair housing opportunities for all of our residents.

I look forward to continuing to work with the Housing & Community Development Network of New Jersey, and I congratulate you on your great work and achievements. Thank you for all that you do.

FRANK PALLONE, JR.
Member of Congress
